WELCOME

Dear Valued Investors and Partners,

It is with great pleasure and excitement that I welcome you to the Harrods Finance, where innovation, excellence, and growth converge. Our journey has been one of relentless commitment to creating value, fostering sustainable development, and nurturing fruitful partnerships. As the Chairman of Harrods Finance, I am honored to share with you the remarkable opportunities we have in store through our diverse investment packages.

At Harrods Finance, we believe that success is not a solitary endeavor but rather a collective pursuit. Our investments are designed to empower individuals, businesses, and communities, and we invite you to be an integral part of this transformative experience. As we venture into a future filled with possibilities, I would like to highlight some key aspects of our investment offerings:

- Innovation and Technology: Our packages support ventures in AI, renewable energy, petrochemicals, cryptocurrencies, stocks, and biotechnology.
- Sustainability: We uphold ESG principles for a better world and sustainable returns.
- Global Reach: Our investments span regions and industries, offering diversified opportunities.
- Partnership and Growth: We're dedicated to working with you to achieve your goals.
- Transparency and Integrity: We ensure secure, transparent, and ethical investments.

I invite you to explore the comprehensive range of investment packages outlined in this Manifesto. Each one represents a unique opportunity to be part of our success story and share in the rewards that come with it.

As we embark on this exciting journey together, I want to express my sincere gratitude for considering Harrods Finance as your investment partner. Our commitment to excellence knows no bounds, and we are dedicated to exceeding your expectations at every turn.

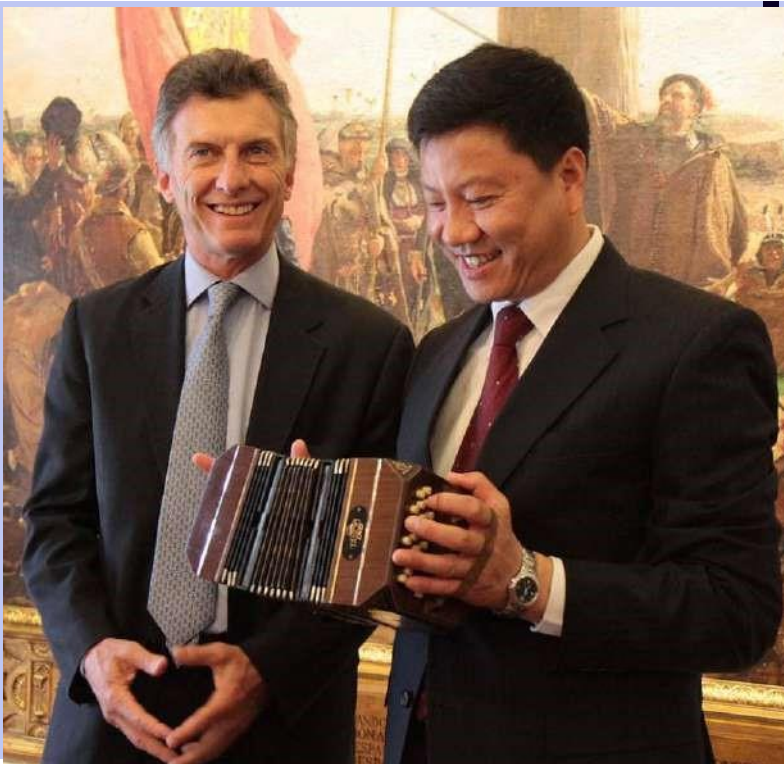

Thank you for your trust in Us. I look forward to a fruitful partnership that will shape a brighter, more prosperous future for us all.

Warm regards,

Fan Hongwei
Chairman, Harrods Finance

ABOUT US

Harrods Finance, a distinguished UK-based company founded in 2017, has swiftly emerged as a prominent player in the financial sector, setting new standards for excellence. Operating across a spectrum of financial markets, Harrods Finance has established itself as a multifaceted entity with a strategic focus on forex, cryptocurrency, real estate, petrochemicals, and hotels.

Our History

Since our inception in 2018, Harrods Finance has evolved from a modest start-up into an industry powerhouse, consistently expanding our reach and capabilities. Throughout the years, we've successfully navigated various challenges and capitalized on opportunities, continuously adapting to meet the evolving needs of our stakeholders. Today, we proudly stand as a testament to UK ingenuity and the entrepreneurial spirit.

Our Mission

Harrods Finance is committed to becoming a world-class enterprise, excelling in innovation, delivering value to stakeholders, and contributing to societal betterment. We are dedicated to achieving this mission through a focus on technological advancements, optimizing our industrial supply chain, and providing exceptional products and services to our customers. Our driving force is a relentless pursuit of excellence and an unwavering commitment to creating a positive impact.

Our Vision

At Harrods Finance our vision is to establish ourselves as a global leader, setting new benchmarks for excellence in every industry we engage in. We aim to harness cutting-edge technologies, embrace sustainability, and cultivate a culture of integrity and collaboration.

Our overarching vision is to forge a brighter future by pushing the boundaries of innovation, pioneering change, and leaving a lasting, positive imprint on the world.

OUR PORTFOLIO

With a diverse portfolio of businesses, we operate in key sectors that shape the global economy

Textiles

Harrods Finance textile division holds the global distinction of being the largest weaving enterprise. We excel in producing functional fibers for diverse industries, consistently delivering top-tier textile products thanks to our advanced facilities and cutting-edge technologies.

Petrochemicals

Harrods Finance, a key player in the petrochemical sector, has made substantial investments in thermal power plants and machinery. Our expertise shines through ownership of the world's largest purified terephthalic acid (PTA) factory, boasting an impressive annual monomer capacity of 6.6 million tons. This capacity enables us to meet the increasing global demand for petrochemical products.

Financial Services

Recognizing the importance of financial services, Harrods Finance Ltd has diversified into this sector. We offer a wide range of services, including banking, insurance, investments, cryptocurrency, and more, to support businesses across various industries with tailored financial solutions.

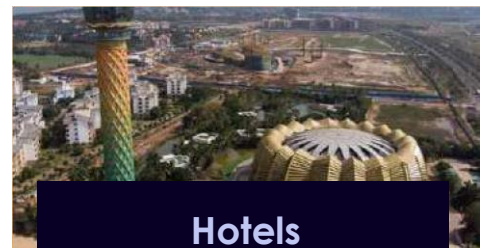

Real Estate Development

Beyond our core industries, Harrods Finance has expanded into real estate development. With our robust financial position and extensive expertise, we undertake the construction of residential, commercial, and industrial properties. Our real estate projects are tailored to meet contemporary living requirements and promote sustainable urban development.

Polyester Products

Harrods Finance has solidified its position as a leading producer of polyester products. With cutting-edge manufacturing and a steadfast dedication to quality, we provide a diverse range of polyester products for industries including textiles, packaging, automotive, and beyond. Our polyester offerings are renowned for their durability, versatility, and adherence to global standards.

Hotels

In our pursuit of excellence, Harrods Finance has invested in hospitality, operating a chain of top-tier hotels. These establishments cater to both business and leisure travelers, offering luxurious amenities and exceptional dining experiences.

EARNINGS DISCLAIMER

- By using this website, platform, products or services, you fully understand and agree to legally comply with this Risk Disclosure and Disclaimer.
- From time to time, the Company may report on the success of one of its existing or prior clients/customers. The information about this success is accurately portrayed by the Customer. You acknowledge that the prior success of others does not guarantee your success. As with any business, your results may vary and will be based on your individual capacity, business experience, expertise, and level of desire. There are no guarantees concerning the level of success you may experience. There is no guarantee that you will make any income at all and you accept the risk that the earnings and income statements differ by individual. Each individual's success depends on his or her background, dedication, desire and motivation. The use of our information, products and services should be based on your own due diligence and you agree that the Company is not liable for any success or failure of your business that is directly or indirectly related to the purchase and use of our information, products, and services reviewed or advertised.
- All information contained herein should be independently verified and confirmed. We do not accept any liability for any loss or damage whatsoever caused in reliance upon such information or services. Please be aware of the risks involved with any trading done in any financial market. Do not trade with money that you cannot afford to lose. When in doubt, you should consult a qualified financial advisor before making any investment decisions.
- Trading and investing in cryptocurrencies (also called digital or virtual currencies, crypto assets, altcoins and so on) as well as Forex involves substantial risk of loss and is not suitable for every investor. The valuation of cryptocurrencies, Forex, and futures may fluctuate, and, as a result, clients may lose more than their original investment. The highly leveraged nature of futures trading means that small market movements will have a great impact on your trading account and this can work against you, leading to large losses or can work for you, leading to large gains.
- If the market moves against you, you may sustain a total loss greater than the amount you deposited into your account. You are responsible for all the risks and financial resources you use and for the chosen trading system. You should not engage in trading unless you fully understand the nature of the transactions you are entering into and the extent of your exposure to loss. If you do not fully understand these risks you must seek independent advice from your financial advisor. • All trading strategies are used at your own risk
